

Sonar radar

Under ground

depth of ROV

USBL

→ Multiple Sonar

Test the Sonar
under the water

Image Detection

Q

Single wired

Autonomous

- # USBL - depth issue @ flood (no flat)
 - ↳ use pressure sensor
- # Multiple ground station
- # Sonar → why not mounted
 - ↳ Improve the efficiency of Sonar
 - Develop ← transmitter ←

-
- # Work on development of SONAR
 - # ↳ Computer vision
 - ↳ Make all the video clips visible on web
