ॐ औ गुरवे सरणं

Dear Dr. Akila Wijethunge,

Thank you for the e-mail. Our team is happy to have been selected for the final rounds of the 2024 IEEE Region 10 Robotics Competition. We appreciate the opportunity to showcase our project, "Underwater Robot for Inspection and Salvage," at the Meiji University Nakano Campus in Tokyo.

As requested, we will promptly fill out the registration form by June 30th, 2024, confirming the participation of our two IEEE student members of the robotics team. We understand the importance of timely communication and will adhere to the process outlined.

Additionally, we eagerly anticipate attending the R10 Student/Young Professionals/Women-in-Engineering/Life Members (SYWL) Congress on August 31st and September 1st, 2024, alongside the final rounds. It's an honor to represent our institution on this international stage.

Thank you once again for your support, and we look forward to contributing to the success of the competition.

Best Regards,

**Dr. Arivumani Ravanan,**
